

Job Description

Designation : Video Editor
Location : New Delhi – Jasola District Centre
Company Website : www.tlcgroup.com

Key Responsibilities:

1. Taking a brief to grasp production team's needs and specifications
2. Reviewing shooting script and raw material to create a shot decision list based on scenes' value and contribution to continuity
3. Manipulating and editing film pieces in a way that is invisible to the audience
4. Ultimately, as a film and video editor, you should be able to bring sight and sound together in order to tell a cohesive story
5. Take a brief to grasp production team's needs and specifications
6. Review shooting script and raw material to create a shot decision list based on scenes' value and contribution to continuity
7. Trim footage segments and put together the sequence of the film
8. Input music, dialogues, graphics and effects
9. Create rough and final cuts
10. Ensure logical sequencing and smooth running
11. Consult with stakeholders from production to post-production process
12. Continuously discover and implement new editing technologies and industry's best practices to maximize efficiency.

Desired Profile:

1. Proven work experience as a video editor
2. Solid experience with digital technology and editing software packages
3. (e.g. Avid Media Composer, Lightworks, Premiere, After Effects and Final Cut)
4. Demonstrable video editing ability with a strong portfolio
5. Thorough knowledge of timing, motivation and continuity
6. Familiarity with special effects, 3D and compositing
7. Creative mind and storytelling skills
8. BS degree in film studies, cinematography or related field
9. Problem-solving aptitude
